the cat when it bit her. She was holding out a piece of meat for the animal, which, in springing upward to receive the morsel, bit her on the right index finger. Mrs. Sutton gave the wound no attention at first, but later a physician was called in. The finger has become swollen greatly, and Mrs. Sutton has been forced to take to her bed. She is the wife of an employe of the Firth-Sterling Steel Company, at Glesboro.

Davidson and Harry L. Robey, which took place a few evenings ago in the residence of Mr. and Mrs. Alexander B Garden, near Minnesota avenue, was a quiet ceremony, and the friends of the young couple, who were surprised by the announcement, have since been offering their congratulations. The bride is the daughter of John Davidson, of Shannelton Ord, Bamffshire, Scotland. She has been making her home with Mr. and Mrs. Garden, the former her uncle, for several years. Mr. Robey has been one of the managers of Mr. Garden's business in the Washington markets for a long time. The ceremony was performed by the Rev. George M. Cummings, the pastor of the Garden Memorial Presbyterian Church. He was summoned to the Garden home without any knowledge of the fact that he was to perform a marriage ceremony. Proceal services for Mrs. Lelia Walson, who was the wife of George O. Walson, cashier of the National Metropolitan Bank, and the president of the Anacostia Bank, will take place tomorrow afternoon at 2:30 o'clock from the Anacostia Methodist Episcopal Church. The services will be conducted by the Rev. Samuel W. Grafflin, the pastor of the church, and the interment will be made in the Congressional Cemetery. Mrs. Walson died on Saturday evening, and there have been many expressions of regret and sympathy received at the family home, 166 Maple View avenue.

WASHINGTON TIMES BUREAU,
ANACOSTIA, D. C., OCT. 18.

Mrs. Jessie D. Sutton is confined to bed in her residence, in Ninth place, Congress Heights, from the effects of a bite inflicted by a pet cat. She is under the care of Dr. Joseph J. Mundell, an Anacostia physician, who was summoned several days after the occurrence. Members of Mrs. Sutton's family became anxious last evening to know what an examination of the cat by the Bureau of Animal Industry will indicate, so the feline was placed in a cage and the police of the Eleventh precinct were asked to take charge of it.

Mrs. Sutton was engaged in feeding the cat when it bit her. She was tricked in the cat when it bit her. She was tricked in the complete change in all the Presbyterian pulpits in the District on Sunday, October 28, when each congregation will be addressed by a visiting clergyman, the object being to have a Presbyterial visitation in each ehurch. The plan was outlined at the late meeting of the Presbyteriy of Washington city, which body made out the list of assignments for the day also. The announcement of the visitation to each church was made yesterday in the respective houses of worship. In Anacostia the Garden Memorial Presbyterian Church will be visited by the Rev. Mr. Granger, who is the pastor of the Presbyterian Church in Ecking-ton. The Rev. George M. Cummings, the pastor, will go to the First Presbyterian Church. In the evening of that day the Missionary Society of Garden Church will hold its annual praire
